## THE MALAYSIAN TECHNICAL COOPERATION PROGRAMME

Malaysian Technical Cooperation Programme (MTCP) was initiated at the First Commonwealth Heads of Government Meeting (CHOGM) for Asia Pacific Region held in Sydney in February 1978. It was officially launched on 7th September 1980 at the 2nd CHOGRM in New Delhi, India to signify Malaysia's commitment to South-South Cooperation, in particular Technical Cooperation among Developing Countries (TCDC).

The MTCP emphasises the development of human resources through the provision of training in various areas which is essential for a country's development. These areas include diplomacy and diplomatic practices, economy, good governance, education, tourism, environment, social development, halal industry, safety and security as well as technology, among others. As of 31st December 2022, 37,055 participants from 144 recipient countries have benefited from the various programmes offered under the MTCP. For more information at MTCP Official Portal: <https://mtcp.kln.gov.my/> and MTCP Official Facebook Page: <https://www.facebook.com/MTCPMalaysia>

### OBJECTIVES OF THE MTCP

- To share development experiences with other developing countries;
- To strengthen bilateral relations between Malaysia and other developing countries;
- To promote South-South Cooperation (SSC); and
- To promote Technical Cooperation among Developing Countries (TCDC)

## SULTAN AHMAD SHAH MARITIME ACADEMY (AMSAS)

Sultan Ahmad Shah Maritime Academy (AMSAS) was located in Pahang, Sungai Ular, and Gebeng. AMSAS commenced enlisted personnel recruit training with the Royal Malaysian Navy (RMN) at the RMN base in Lumut. Officers' initial training began in July 2007 shifted to a temporary training centre at the Maritime District Office in Kuantan for officers' initial training at MMEA. On March 2, 2013, AMSAS was gracefully officiated by Sultan Haji Ahmad Shah Al-Musta'in Billah ibni Almarhum Sultan Abu Bakar Riayatuddin Al-Mu'adzam Shah, the fifth Sultan of Pahang. AMSAS was named in honour of HRH the Sultan of Pahang, the former state ruler of Pahang.

### AMSAS MISSION AND VISION

Mission :

Train competent maritime enforcement officers in a comprehensive training environment to fulfil the needs of stakeholders.

Vision :

To Become A World-Class Maritime Enforcement Training Institution

### TRAINING METHODOLOGIES

An integrated teaching and learning methodology will be adopted. Applicants learn through interactive classroom lectures, discussions, and simulated exercises.

**Manners:** Applicants shall conduct themselves at all times in a manner compatible with their responsibilities as MTCP applicants and abide by the laws, rules, and regulations as may be stipulated by the host government with respect to this training course. The MTCP Secretariat and Training Institutions will not cover any additional costs involved, such as tickets, flights, food, accommodation, and others caused by the negligence of the programme applicants themselves.

## COURSE OVERVIEW

The International Interdiction and Boarding Inspection Course (IIBIC) is designed specifically to meet the requirements of the MMEA with regards to the conduct of boarding operations, with the vision of becoming among the best maritime enforcement agencies in law enforcement and saving lives and properties at sea. Boarding is one of the most crucial tasks in enforcement duties at sea. The establishment of MMEA is appropriate to ensure that Malaysian waters are always safeguarded from all aspects of maritime crime as well as maritime pollution control, etc. Throughout the course, it is hoped that with collective efforts, we can ensure a safe maritime environment for the maritime community.

### COURSE OBJECTIVES

- To share knowledge and best practice concerning boarding operation,
- To ensure enforcement duties are carried out efficiently according to the law and,
- To ensure every boarding officer is well prepared to conduct boarding on vessels safely, professionally and legitimately.

### TARGET PARTICIPANTS

This Course is relevant for:

- Maritime Law Enforcement Officers who have already completed the basic investigation course or an equivalent course.
- Proficiency in English (spoken and written). The course is developed for the relevant maritime law enforcement (MLE) agency. Officers nominated must be junior officers (Lieutenant or lower).
- Applicants must be between the ages of 26 - 45
